

nice to meet

DURABLE COFFEE POINT

nice to meet

Communal work spaces are an integral part of the modern office, where relationships are formed, ideas are shared and business is done.

Sometimes the best conversations are had over a cup of tea or coffee, COFFEE POINT by DURABLE is the premium storage solution for tea and coffee in meeting rooms, reception areas and break-out areas.

good to know

COFFEE POINT by DURABLE is a modular product range with generous storage solutions for hot beverage consumables. Time is valuable and a modular system with generous storage allows the focus to remain on the business as items can be found quickly.
