Robust and solid

FUNCTIONAL

Robust and practical product

ACCUEIL coatstand is made of a 175 cm-mild steel post. It is equipped with 8 offset rounded coat pegs to facilitate the hanging. The revolving head enables to put it in the angle of an office or against a wall whilst ensuring the access to the clothing.

DESIGN

Protected clothing

The rounded coat pegs reassure and give to ACCUEIL coat stand this very familiar look which makes it successful. They are equipped with anti-skid edges and have been designed to avoid misshaping the clothes. The coat pegs are reinforced and made in united cast in one piece.

THE ADVANTAGES

The must have

Accueil is equipped with an umbrella stand adjustable in height. Capacity: 9 umbrellas and a drip tray. A 6kg- weighed base ensures the steadiness of the product.

*“ ACCUEIL is perfect for communities and open-space offices.
