

# tesa® Ultra Power clear repair tape

BNR 56496, 56497

Invisible repairs are challenging. tesa® Ultra Power Clear Repairing Tape supports you perfectly on all your adventures. It provides a convenient and discrete solution when it comes to fixing materials like plastic or glass. It has been developed for a variety of tasks such as patching holes, cracks, gaps, and tears. Due to strong adhesion, it can be used on many surfaces, even on rough and textile ones. Thanks to its high UV- and temperature-resistance, the tape withstands even extreme weather.

## Features

- Transparent tape for invisible repairs: Specifically developed for discrete repairs - the perfect fixing-solution for glass and plastic materials
