Declaration of conformity for plastic materials in contact with food

This is to confirm that the article

12990 ice ball former, made of polypropylene

23,5 x 8,5 cm H: 6,5 cm

complies with the legal provisions of the Regulation (EG) no. 10/2011 and the Regulation (EU) no. 1935/2004 – in its current version.

When used as specified, the overall migration as well as the specific migration do not exceed the legal limits.

The testing was performed according to article 17 and 18 of the Regulation (EU) no. 10/2011 in conjunction with Annex V.

The materials and raw materials are in accordance with the Regulation (EU) no. 10/2011.

In case substances subject to limitations and / or specifications are used in the above mentioned product, the migration limits given in the Regulation (EU) no. 10/2011 are strictly adhered.

Note on dual use substances:

Substances also approved as food additives do not migrate or are contained in marginal quantities only so that they do not display any technological effect in case of migration.

The organoleptic tests executed on our behalf discovered no inadmissible influence on the food having been in contact with the product.
