ORIGIN AND CONFORMITY DECLARATION FOR SLICING MACHINES BLADES

The company Chiaravalli Group S.p.A, Blades Division declare that:

- All the items manufactured (circular blades for slicing machines, distributed under brand RASSPE and KLINGER) are made in Italy in the plants located in Varese district;
- Relations with employees are ruled by Italian law and Trade Unions agreements;
- The raw-materials used for the blades production (steel C45-100Cr6–AISI420) are exclusively of European Origin;
- Our products are applying the following regulations:
- European regulation 1935/2004 concerning materials and articles intended to come into contact with food products;
- EU regulation 10/2011 concerning plastic materials and objects intended to come into contact with food products;
- EU regulation 2023/2006 concerning plastic materials and objects intended to come into contact with food products;
- Italians regulations: DPR. 777/82 and next up-dates and changes;
 DM. 21/03/1973 up-dated with DM 18/05/2010;
 DM. 140/2013 referred to the stainless steel items.
- The chrome plating process is also applying the ASTM B 650-95 regulations;
- DM. 243 01/06/1988.

We are also declaring:

The chromium coating of our blades, which is made in the plants of Chiaravalli Group S.p.A. is NOT submitted to regulations and restrictions of D.L. July 25th 2005 n.151 (applying the EN 2002/95 CE and 2002/96 CE referred to the reduction of the use of dangerous substances in electrical and electronic equipment, as well as to waste disposal).

The chromium coating of our blades consist of Metallic Chrome (zero valent) consequently without: lead, mercury, hexavalent chromium, polybrominated biphenyls (pbb) or polybrominated biphenyl ether (pbde) does not fall under the provisions of the European directives:

- ELV 2000/53/CEE;
- RoHS 2011/65/CEE;
- WEEE 2002/96 CEE.

We are enclosing the following:

- MOCA certificate;
- Declaration ATOTECH;
- Declaration AIFM issued by Prof. P.L. Cavallotti (Professor of Metal Science and President of A.I.F.M.)
