

Declaration of compliance
for materials made from plastic intended to come into contact with food

Identity of the product:

Product:	Garlic press
Article number:	2662710-10
Material:	PA
Usage:	Press garlic

Identity of the producer

Company name:	DaloLindén AB
Address:	Marieströmsvägen 9 335 22 Gnosjö
Contact person:	Andreas Stenholm
e-mail address:	andreas.s@dalolinden.se

Positive list, monomers:

The polymer consists only of permitted monomers and starting substances listed in regulation 10/2011/EU.	
Signature:	DaloLindén AB Andreas Stenholm

Additives:

All additives used in this product are permitted according to regulation 10/2011/EU.	
Yes:	<input checked="" type="checkbox"/>
No:	<input type="checkbox"/>
If no – which other additives are added to the product?	

Chemical name	Cas. no.	Amount in the product (%)

Dual use additives:

Are dual use additives used in this product?			
Yes:	<input type="checkbox"/>		
No:	<input checked="" type="checkbox"/>		
If yes – which dual use additives? Are they subject to restrictions?			
Chemical name	Cas.no.	Amount inte product (%)	Restricions

SML (Specific Migration Limits):

All substances used in this product are checked in regulation 10/2011/EU and the following substances are subjects to restrictions.

	SML	Amounts in the product
1,6 hexamethylene-bis.. Cas 23128-74-7	2,4 mg/kg	<0,1 mg/kg
Caprolactam CAS 105-60-2	15 mg/kg	<1,1 mg/kg

Functional barriers:

Are functional barriers present in the product? If yes, compliance with regulation 10/2011/EU must be stated.	
Yes:	<input type="checkbox"/>
No:	<input checked="" type="checkbox"/>

Global migration test:

According to the future use of this product the material must be tested for global migration according to EU-directive 82/711/EC, as stipulated in regulation 10/2011/EC.
Are tested and approved according to the regulations.

Specific migration test:

If SML values are given above the material must be tested for specific migration according to EU-directive 82/711/EC, as stipulated in regulation 10/2011/EU.
Tested and approved according to the regulations

Specification of the intended use or limitations:

- Type(s) of food intended to come into contact with the material:
The product is made for pressing garlic.
- The product can be used repeatedly.

Good Manufacturing Practice

The regulation 2023/2006/EC requires that good manufacturing practice is used.
DaloLindén has an internal quality system to ensure the quality of its products.

Traceability

Traceability of the product is ensured according to Regulation 1935/2004/EC via the date which is written on the transport packing or through the time "wheel" on the item.

Compliance:

The product does not apply any danger to health or environment according to article 3 in Framework Regulation 1935/2004/EC. The product complies with current EU-legislation (10/2011/EU).

We commit ourselves to inform you of any changes in the formulation of the product.
