

Phantom Speedsuit V3

PERFORMANCE

>>> The Phantom Speedsuit is engineered with the exclusive Exo-Core technology, a combination of Exo-Foil and Aqua Core in relationship with Triathlon Wetsuit Core Power System. The innovation provides the Elite Triathlete an amazing new swim sensation that conserves their core leg and back muscles while maintaining freedom of movement and allowing them to reach their utmost potential.

CORE POWER SYSTEM

Improve posture and core stability

THERMO BOUNDED SEAMS

Maximize comfort and prevent chaffing

EXO CORE TECHNOLOGY

*Combination of 2 fabrics: Exo-Foil and Aqua Core
Greater compression and range of motion*

OTHER FEATURES

- Locking zipper on the back
- Water repellent treatment: superior glide
