

Racer V3

>>> Thanks to improved ergonomic cutting and strategically placed 1.5 mm Yamamoto 40 panels, the Racer provides the best fit for comfort, warmth and speed. Designed to maximize buoyancy, reduce drag and maintain streamlined body position, the Racer is the optimal wetsuit.

DOUBLE LAYER COLLAR

Maximizes comfort and prevents chaffing

YAMAMOTO 39 AND 40 & BIO STRETCH ZONES

Maximize range of motion

QUICK RELEASE PANELS

At the back for easy release for better transition time
