Stylish black bottle cooler with canopy

CEV425CP BLACK is one of our popular bestsellers – and for good reason. This is where efficient cooling and great design meets affordability. This all black bottle cooler is perfect for creating elegant displays of wine, beer, or soft drinks. Use it as a larger upright backbar in bars and restaurants, or make your beverages stand out in retail environments. The black interior combined with a glass door with LED lighting on the inside of the door frame makes sure that your products are always stylishly displayed. To fully release its marketing potential, have the bottle cooler with a LED illuminated canopy decorated nicely with customized branding. The CEV range is available in white or black color options, with a right-hand hinged door or left-hand hinged door, and with or without a canopy. Upon request and at an additional cost, this product is also available with an EU energy rating C. Contact our sales team for more information.
