- LED interior light
- Bumper bars
- Union kit for island creation is available as option

Black supermarket cooler / freezer with curved glass for

The SFI cooler / freezer is perfect for displaying products in supermarkets, grocery stores, butchers, pet food stores etc. The curved glass sliding lids allow full visibility of the products inside. The energy efficient LED interior lighting on the back wall of the freezer, illuminates the products beautifully. The LED light has its own separate power cord, so it can be connected to the rest of the light in the store and be turned off at night to save energy. The supermarket cooler / freezer can be arranged into islands with a head case on each end or below a MTF top section. The variable speed compressor ensures that the unit only regulates the temperature when needed. This makes it app. 20% more energy efficient compared to the same model without a variable speed compressor – and thereby more cost efficient to operate. The SFI range also comes as a freezer option as well as in several colors - contact our sales team for more information.

### Measures and Content

Total Display Area	m <sup>2</sup>	1.73
Temperature Range	°C	-24 to -18 / -1 to +8
Climate Class		4
