

UFSC371GCP Black

Black Display Freezer

Product Features

- Great product presentation
- Black interior and exterior
- Heated glass door
- Illuminated canopy
- Digital thermometer
- Interior light
- Fixed shelves
- Defrost water drain

Black display freezer with canopy and a heated glass do

Great product presentation at a competitive price – that is what you get with this display freezer. It has a heated glass door to prevent condensation and internal LED lighting to highlight your frozen goods. The illuminated canopy will attract the attention of customers and the cabinet is great for branding. The cooling system is static with 6 fixed freezing shelves with built-in evaporator coils to ensure an even temperature throughout the cabinet. The upright freezer comes with a defrost water drain for easy maintenance.
