22993409

Door mounting kit compact design 3/4P

This kit enables direct mounting on the door and right or left side of the panel with the standard switch.
No need to flip the connection terminals over to make them accessible.
The external handle is quick and easy to install using a mounting nut on the inside of the enclosure.
General characteristics
3 kits available:
- one for complete IP2X protection.
- one with compact design.
- one in steel for 6/8 P and 100/125 A.
