COMPACT SCALE

PRODUCT NUMBER 7740

Features

One-key operation for check, recipe and totalise functions – in all ranges. The ultra flat, user-friendly universal scale with a large platform. Bench scale with Quattro-Tronic: this patented weighing system provides high precision weighing measurements; it is also the reason for the compact design and low weight.

- › The 12.5mm easy to read LCD is integrated in the scale, thus emphasising the portability of Soehnle Professional compact scales.
- › Easy to operate: one key only for on/off, tare and add and weigh
- › Easy to clean PP/ABS housing, removable stainless steel platform
- › Battery power supply
- › Energy saving automatic power-off
- › Battery: 9V block
- › For non-approved weighing operations
- › Switchable weight display kg/lb
