Barcelona - Spain

## FOOD CONTACT COMPLIANCE DECLARATION

1. We herewith declare that the article **BAIL277886-19 Water/wine glass PS – Transparent with black stem**

That we supply you

MEETS

The following European Regulations (EC):

- Regulation 1935/2004/EC
- Regulation 10/2011/EC and further updates and modifications
- Regulation 1895/2005/EC
- Regulation 2023/2006

And the following Italian regulations:

- Decreto Ministeriale 21/03/1973 and further updates and modifications
- DPR 777/82 and further updates and modifications

2. This declaration is made according to the above mentioned regulations and it is for: **Adm Promotions S.L.U.**

3. The above mentioned items have been made with the following materials:

POLYSTYRENE STYRON 678E

4. The above mentioned materials respect the overall migration limits in the following conditions:

SIMULANT	CONDITIONS	COMPLIANCE
Aqueous solution of acetic acid 3%	10 days at 40°C	YES
Aqueous solution of ethanol 50%	10 days at 40°C	YES
Oil	10 days at 40°C	YES

© Gold Plast S.p.A.

The overall migration limits are respected in the above mentioned use conditions.

This statement is proved by analytic tests or according to the calculations about substances migration, made according to the rules 82/711/EC, 85/572/EC and 97/48/EC and DM March 21st 1973.

All calculations have been done assuming that 1 kg. of food is in contact with 6 dm<sup>2</sup> of product.

5. The material POLYSTYRENE meets art. 3 of the EC regulation n. 1935/2004 and all the monomers and additives used during the production process are listed in the EC Regulation n. 10/2011. We also declare that this material does not contain either substances subjected to Specific migration limits or additives "dual use".
6. The user of the material subject of food contact has the responsibility to inform us about possible restrictions according to specific peculiarities (presence of additives and flavours) of the food to be packed.
